

# Customer Satisfaction Refund Form

Congratulations! If your dog has chewed through one of our customer satisfaction guaranteed toys he/she is a "beast", a group measuring less than 1% of dogs in America! Our toys are extremely durable, but we know that some dogs have more aggressive chewing styles than others. We are happy to send you a full, one-time refund in the form of a check if you are unhappy with the way our product held up against your dog. Taking advantage of the guarantee is simple: just fill out this form and follow the instructions below for mailing. Valid only in the U.S. and Canada.
